

# Easy Drop, Proof of Delivery Mobile Application

Easy Drop

An Interactive and user friendly Proof of Delivery Mobile App valued by drivers for its ease of use and simplify their work.

## APP OVERVIEW

Easy Drop is an easy to use proof of delivery solution for delivery drivers with trip planning features.

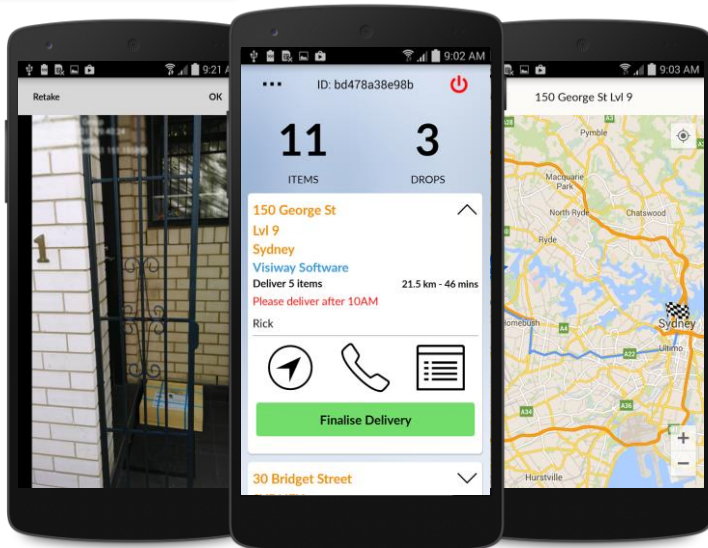

With Easy Drop you can manage your Delivery Schedule, Plan for the fastest routes and be up to date with real time traffic conditions.

Working for any country. Currently, real time traffic data is only available in NSW /Australia and the coverage has been planned to be extended (for any country) in the near future.
